- For an additional \$3 per piece (small bite) \$5 per piece (large bite) we can offer cocktail finger food, hot or cold. This is a service that will be walked through and served to your guests
- Grazing table can be modified by way of reducing the savoury to then include sweet offerings.
- Celebration cakes are also available. See cake pricing for more information.

\*\*\*Per head price includes after hours venue hire, staff and BYO service, glass hire and linen, subsequent hours are charged at \$75 per 15min intervals. Food provided is 350g per person, which is the equivalent of a 200g steak and a cup of assorted vegetables.
